

## **Freebee**

In Freebee, for more than 4 years, we have been changing the face of industry marketing. Why? Because as a first firm we build and keep dedicated loyalty programs for hundreds of businesses on the market on one technological platform. Among them, there are both small, local businesses functioning all over the country, as well as all-Polish networks, leaders in their industries - e.g. 5.10.15. (> 230 locations), Cyfrowy Polsat, Plus (> 17 million Customers - yes, it is such a huge scale). **Freebee's mission is simple → introduce a new standard of loyalty programs so that BIG DATA would be within reach of every business and each shopper could receive what they want, when they most need it.**

If you want to develop your career, working on mega-innovative projects for the most demanding businesses and share our values: #InnovationIsInMyDNA, Passionate&Determined, #TeamPlayerByNature, #AlwaysDeliver, #TransformationalChange, do not wait and join our team for the position of:
